About VISS

VISS (Vijay Industrial Security Service) is a premier manpower consulting company offering specialized security, housekeeping, and pantry boy services. We provide well-trained professionals to deliver exceptional services across various industries.

Founded in 2011 by Vijaykaran Singh (Director) and Bhola Singh (Managing Director), VISS has become one of India's leading private security companies, serving over 120 clients and employing over 1,800 personnel across Maharashtra.

As an ISO 9001:2015 certified organization, VISS upholds the highest standards of security and professionalism in electronic security, surveillance systems, risk analysis, personal security, and asset protection.

Leadership Team

Mr. Vijaykaran Singh

Director - Shapes company vision and strategy with expertise in business management and operational excellence, driving growth and innovation in industrial security.

Mr. Bhola Singh

Managing Director - Brings strategic vision and leadership experience, maintaining highest security standards and adapting to evolving industry needs.

Mr. Sahab Singh Tomar

Vice President - Ex-Naval Officer with 28 years defense experience, overseeing security strategies and operations with exceptional leadership expertise.
